Preface

We hope you will enjoy this compilation of Lubwisi proverb, riddles, songs, lullabies, clan names and birth names. Our Lubwisi language is rich and we do not wish to lose this richness. The more we collect and write down the special things of our language and culture, the longer they will last.

The Bwisi people live in south-western Uganda, Bundibugyo District and DRC around the Rwenzori Mountains. They number about 200,000 people and they are mainly agriculturalists.
